SEPTEMBER 2021 - 2022

Our History

Lincoln Gymnastics club was established in 1981 and trained both male and female gymnasts between the ages of 5 and 18 at both Yarborough Leisure Centre and North Kesteven Leisure Centre.

During 2005, the Club became the first Lincolnshire Club and fifth in the East Midlands Region, to achieve the British Gymnastics Gym Mark and Sport England Club Mark. Recognised accreditation for a safe, effective and child friendly club, we provide a service to the Community, that children and young people, their parents/guardians and others with an interest in gymnastics can trust. We have also achieved re-accreditation every year since.

In 2006 we achieved our goal of opening our own premises dedicated to gymnastics. This facility saw some major changes over the years. With a role of over 600 gymnasts accessing gymnastics, every week we found ourselves outgrowing the space.

After several years of planning and dedication, in 2014 Lincoln Gymnastics Club got the opportunity to begin a facility development project with Lincoln based firm Taylor Lindsey Ltd. They offered to build a facility for us with a floor space to our specification (that we could afford!). We would then move into and rent the building from them. Plans got underway and in 2016 moved in and Lincoln Gymnastics Club continues as it is now.

Our Sessions

Girls & Boys

Preliminary Club Recreational

The girls and boys branch off at this point to pursue the specific discipline of men's or women's gymnastics for 1 hour a week all year around. The children will move into these classes under the assessment of their ability to pursue this level having attained certain abilities to cope with the next stage on Lincoln Gymnastics Club's Pathway. At this point they will further develop their gymnastics skills and venture further into British Gymnastics schemes. They also can take part in our annual club competition where they will learn a floor exercise and a vault and perform it in a competition format. The children begin to learn new skills and further develop those learnt on apparatus appropriate to their specific discipline.

Girls & Boys

Intermediate & Advanced Club Recreational

Again, the children will move into these classes under the assessment of their ability. They remain separate classes for boys and girls specific to their discipline for 1 – 1 ½ hours a week, all year around. They will focus on the higher level of recreational gymnastics in the teaching of skills and use of the apparatus. British gymnastics schemes are followed and again the children can take part in our annual club competition to experience the competitive area of our sport.
