

To all our Members, Parents and Guardians

Firstly, **we would like to thank you all for your valued support during what has been a challenging year for all of us.** As a not-for-profit club, everything we do is with our members and their families in mind.

Our four-week closure...

The health and well-being of **our valued members** is paramount, and we have a social responsibility to everyone in **the local community** to take action to **protect ourselves and others.** **This has resulted in our closure from Monday 2nd November until further notice.**

What we are doing to support our members and their families...

To help support our members and give you peace of mind at this time of year, **we will be putting into action a rollover payment procedure for your child's term fees.**

Payment Information...

You will, or should have, already paid for your child/children(s) gymnastics sessions for Term 2. Session period 2nd Nov – 12th Dec.

As we are currently unsure of our return date for your child/children(s) sessions we would like to **hold payment for it to be rolled over and become your fee payment for Term 3, Jan – Feb 2021.**

What we need you to do...

So, at present we need you to do nothing. As all payments are made via standing orders, direct credits etc, we don't have any bank details to return payments to. Should you require a refund, then please contact us at payments@lincolngymnastics.club and we will manage these requests on an individual basis.

We understand everyone's circumstances are different and wish for all members to be comfortable and happy with decisions.

The club continues to try and support its members and their families and will be in contact with further information when we can.

Stay Safe, Stay Well, Stay Fit, and Healthy...
