### COFFEE EVENTS

There have been three coffee events in 2017 so far, and although the New Year usually means abstaining from treats following the festive season, our cakes have still been very well received.

The 2017 fund raising has been given a great start with these events making, prior to deductions, £114.15 in January, £166.60 in February and £165.24 in March.

Please see notices for the date of the next event and we look forward to seeing you there.
